October 2017**

Head of School message:

Dear Parents, Carers and Governors,

Welcome back to week six of the autumn term – there's definitely a chill in the air and it's definitely getting dark earlier.

Book Fair

As you are aware, last week we held a Book Fair in the hall before and after school. Thanks to the generosity of our parents (and, no doubt, the pester-power of your children!), we sold over £565.45 worth of books, making it one of our most successful Book Fairs ever! So a big, big thank you to all.

Student Progress

Thank you to all that made appointments with the class teachers last week. There was definitely a buzz around the school and a quick look at the parent questionnaires shows that you are very pleased with the school at the moment. Further analysis will take place this week and the results published on the website shortly. As well as Head's Table/Afternoon Tea where I get to talk with your children we are also holding VIP (Very Important Person) meetings this year and your child talks through their work with a member of the senior leadership team. This helps us to gain a greater insight into Pupil Voice and a way to ensure we are continually supporting the children and making improvements.

Harvest Donations

On Thursday 12th October, Year 5 will be leading the Harvest Mass in church at 2.30pm. Any food donations should be given into the class teacher or school office. Thank you in advance for your support.

WF Back the Bid 2019

Waltham Forest is bidding to become the first London Borough of Culture, and so needs your support. Inspired by the UK City and European Capital of Culture Programmes, the competition, launched by the Mayor of London, will enable Waltham Forest to make a difference and help us achieve our ambitions for a clean, safe and prosperous borough. Winning would bring a once-in-a-lifetime cultural programme of events and help us build upon our proud traditions of creativity and entrepreneurship, to make our borough a better place. For further information on how you can support this bid go to: www.wfculture19.co.uk and the leaflet attached.

School Events

On Thursday, a team of Year 2 children took part in a cross country competition. Thank you to Miss Cope and Mr Kruti for training and accompanying the children. (See report and photos attached). Today Year 3 and 4 children are off to a Rugby Competition and Y6 girls are in training for a football competition later this term. We wish them good luck.

Reminders

School starts at 9am. I'd urge all parents/carers to get their children here between 8:45am and 8:50am. That way, if there is a delay due to perennial bad traffic, there is a slight time cushion. We do have a statutory duty to record and pursue lateness. It is also statutory that children take part in PE lessons so please ensure that they have a PE kit in school, including the children in Y3 and Y4 who go swimming on a Tuesday.

Have a good week. Warm Regards,

Kerry Munden, Headteacher

Our Value of the week is Respect:

Do not let any unwholesome talk come out of your mouths, but only what is helpful for building others up according to their needs, that it may benefit those who listen.

Ephesians 4:29

Year 3 Oak

100% no lates:

Year 6 Elm

Year 4 Elm

Reception Willow

Executive Head Teacher

Deputy Head Teacher

Deputy Head Teacher

Cross Country Competition

Last Thursday, eight children in Year Two were chosen to represent St Saviour's at the Waltham Forest Cross Country competition: Marley, Noah, Rithvanraj, Malachi, Adaiah, Kerisse, Chloe and Savannah. In total, there were 78 teams competing with 150 girls in one race and 163 boys in the other. St Saviour's were fantastic role models and ran in true Mo Farrah style – their determination to complete the mile run was amazing.

Well done!

Certificate of Appreciation

Waltham Forest is bidding to be the first
London Borough of Culture in 2019

Back the bid

@WFculture19

Waltham Forest is bidding to be the first London Borough of Culture in 2019

Launched by the Mayor of London Sadiq Khan, the London Borough of Culture competition will bring over £1 million to the winning borough to stage a world-class programme of cultural events and activities.

Being awarded the title would bring huge economic and social benefits to local residents and businesses, as well as attracting visitors - from London, the United Kingdom and abroad - to Waltham Forest.

Ours is a vibrant borough - home to many creative people, historic

buildings and diverse communities with a rich heritage. We believe our borough is the perfect canvas on which to showcase and celebrate London.

However there's still much that can be done to improve our residents' life chances, boost the local economy and enhance the borough as a whole.

Winning will give us the international kudos and attract partners to deliver even more in terms of culture for residents and businesses, and bring amazing opportunities and investment into the borough to achieve even more.
