

Weekly Newsletter
Monday 10 June 2019

Dear Parent and Carer,

One of my favourite perks as a Headteacher is celebrating pupil's achievements in our Monday morning 'Star of the week' assemblies. I am always amazed what incredibly talented young people we have in our school. As you know, we recognise excellent behaviour for learning, effort and progress in our school work through certificates but every week we have children coming to the front who have received a significant accolade for a sporting achievement during out of school hours. We have pupils who are karate champions, phenomenal cheerleaders and brilliant ballerinas.

The summer term is always full of sporting events and this year is no different. Whilst the women's world cup has kicked off this weekend in France, we have our own girl's football team playing against St. Mary's in the coming weeks. On our sports field, we have some classes playing tag rugby and whilst England is playing in the cricket world cup, I saw Mr. Philpotts playing a brilliant game of cricket with children in our playground during a PE session.

This term, we hope to give year groups further opportunities to explore and improve their sporting skills by taking them to the Olympic park and Leyton Orient. Isn't it great we have the best sporting facilities in the UK right on our doorstep? On my Sunday swims, I regularly meet children from school who practise their swimming skills or have fun with friends. Keeping active whenever we can goes a long way to feeling well. On that note, don't forget we have 'Peddle my Wheels' visiting us on 18th June in the morning to sell and buy second hand bikes.

Finally, I would like to say a huge thank you to all the children and parents who worked so hard on their home- learning project about well-being. Ms. Morris will announce the winners in assembly this week and some children will even present their ideas to their peers.

I wish you all a sunny, healthy, active and blessed week.

KS2 Tikal, Year 3 Willow

Well Done!

Bring Your Family to University Visit Days

We are keen to give all our pupils rich life experiences. As a matter of fact, a few of our children will be visiting Cambridge university next week. Closer to home, UCL have invited Year 5 and 6 children to visit their facilities.

Simply complete the application form online and visit one of the most distinguished universities in the world. If you need any help with the application, please speak to a member of the office staff who will be more than happy to support.
