

19th September 2017

Dear Parents/Carers,

RE: After School Activity Clubs

We have always been proud of the range of after-school activity clubs that we have been able to offer to our children, giving them scope to learn and develop new skills and build relationships with a wide range of children from across the school, not just from their own class or year group. It is great that we have been able to offer new clubs this year, including art and science.

However, you should have been informed that there will be a slight change this year as there will now be a charge of £1 per child, per club, per week. Clubs will run up to Friday 15th December which means a payment of £12 per child, per club for the term. If your child is specifically invited to a club by Ms Earnshaw, there will be no charge and you would have received a letter informing you of this.

This charge has been introduced to help contribute towards some of the more fun “extras” for our children, as well as enabling us to keep the cost of some the more expensive trips at a more affordable level.

Our PTA do a marvellous job fundraising to help us, but as the school grows, the demands on those funds become more stretched. From this first term, some of the money from clubs will be used to contribute to the cost of the Christmas Pantos.

Payment for the clubs can be made using ParentPay and should be made by Friday 22nd September. Thank you for your cooperation on this.

We do have some spaces available for clubs so please speak to the School Office.

If you have any queries, please do not hesitate to contact me.

Kerry Munden
