

# St. Saviour's C of E Primary School pupil premium strategy statement

1. Summary information					
School	St Saviour's C of E Primary School				
Academic Year	2017-18	Total PP budget	£117,480	Date of most recent PP Review	June 2018
Total number of pupils	328	Number of pupils eligible for PP	53	Date for next internal review of this strategy	Sept 2018

2. Current attainment		
Based on Spring data	Pupils eligible for PP (your school)	Pupils not eligible for PP (national average)
% achieving in reading, writing and maths	10% Based on Spring data	43% (whole school) 61% (Nat Ave) Based on Spring data
% making progress in reading	11% Based on Spring data	50% (whole school) Based on Spring data
% making progress in writing	10% Based on Spring data	40% (whole school) Based on Spring data
% making progress in maths	7% Based on Spring data	38 % (whole school) Based on Spring data

3. Barriers to future attainment (for pupils eligible for PP, including high ability)	
<b>In-school barriers</b> ( <i>issues to be addressed in school, such as poor oral language skills</i> )	
A.	<ul style="list-style-type: none"> <li>lack of home-school engagement, low income,</li> </ul>
B.	<ul style="list-style-type: none"> <li>lack of knowledge and experience of the wider world,</li> </ul>
C.	<ul style="list-style-type: none"> <li>Issues of self-esteem and self-motivation - which can slow down the learning process.</li> </ul>
<b>External barriers</b> ( <i>issues which also require action outside school, such as low attendance rates</i> )	
D.	Not all PP children are exposed to the same knowledge and experiences of the wider world due to pressure on family income

4. Desired outcomes		
	Desired outcomes and how they will be measured	Success criteria
A.	The attainment and progress of both PP and non PP children shows no difference	Data across all year groups shows no difference between PP and non PP children
B.	That there are no restrictions that prevent PP children are from accessing the range of enrichment, clubs and events that are embedded across the school due to financial reasons	Registers for extended schools and clubs show high proportion of PP children have access to all activities and events run by the school and that PP pupils are not restricted for financial reasons.
C.	That the self-esteem and ambition of pupil premium children across all year groups is raised.	By being able to access after-school clubs and enrichment opportunities within school, PP children do not see themselves as different from their peers. PP children are keen and excited to learn and recognise the opportunities an excellent education can provide.

D.	Higher attaining Pupil Premium children are afforded the same opportunities as their peers and have raised ambitions for their futures	HA PP pupils are exposed to higher education institutions in order that they recognise what they can achieve through an excellent education. They are challenged and are afforded opportunities to debate, question and investigate in order to develop their skills, independence and ambition

**5. Planned expenditure**

<b>Academic year</b>	<b>2018-19</b>
----------------------	----------------

The three headings below enable schools to demonstrate how they are using the pupil premium to improve classroom pedagogy, provide targeted support and support whole school strategies.

**i. Quality of teaching for all**

<b>Desired outcome</b>	<b>Chosen action / approach</b>	<b>What is the evidence and rationale for this choice?</b>	<b>How will you ensure it is implemented well?</b>	<b>Staff lead</b>	<b>When will you review implementation?</b>
All pupils achieve at ARE or above the difference between PP and non PP children is diminished	TA has a RWI group 1 Hour / day TA reading intervention group 1 hour 2 days/week	Working in streams and smaller classes ensures that PP children enjoy effective and personalised learning, thus improving progress and outcomes.	Learning walks, formal teaching and learning reviews, book looks, planning reviews, data analysis. The PP lead will focus specifically on the data for PP children which is tracked throughout the year and reported to Governors and standards board (directors)	SLT	Ongoing – formal review July
To further deepen and accelerate National Curriculum reading, writing and maths standards, based clearly on National Curriculum year group expectations so that an increased percentage of pupils achieve a combined Age Related Expectation and Exceeding Age Related Expectation at KS1 & KS2	Additional teacher takes a class so teachers can do Interventions two afternoons per week across Y1 – Y5  Additional teacher in Y6 allows for quality first teaching in smaller streamed groups  Booster classes to take place after school for Y6  Achievement school on Saturday will support our PP children to further consolidate their understanding of maths, grammar and reading  PP Intervention groups for PP children identified as below ARE	Streaming, interventions and booster classes have been successful as they ensure children are taught in smaller groups, with accurately pitched work, enabling pupils to get more focussed and individual attention.  Streams/Interventions to be covered by qualified teachers  Data shows the children make accelerated progress to ARE by the end of the year in reading, writing and maths through teaching in small classes as children receive personalised teaching to address individual barriers to learning and gaps. Increased focus and concentration of children working in small group			
<b>Total budgeted cost</b>					£ 90,391

ii. Targeted support					
Desired outcome	Chosen action/approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?
Ensure that PP children are not restricted from accessing the range of enrichment, clubs and events that are embedded across the school due to financial constraints.	where necessary provide funding to enable children to access the extra curriculum events and extended school services - Clubs before and after school Pantomime theatre company performance To see a live science show linked to our curriculum	Encourage engagement and enthusiasm within school. Evidence shows exposure to sporting, artistic and musical activities raises attainment by providing exposure to sporting, musical and artistic events that they might not otherwise get children have full engagement with a wide and enriching curriculum outside the classroom which children can refer to in their life and schooling.	PP co-ordinator to monitor registers with regards to attendance of PP pupils. Have conversations with parents of PP children who are not accessing this provision. Ensure that PP children do not miss out on activities and experiences due to financial reasons.	SLT PP Lead	Ongoing – formal review July
Higher attaining Pupil Premium children are afforded the same opportunities as their peers and have raised ambitions for their futures	To perform a Shakespeare play to the school- Shaking up Shakespeare	Understanding of Tudor English Increased vocabulary through listening and speaking opportunities Understand the link between play scripts and performance and how this can be translated into real life re; presentation of themselves and their ideas to others. Provision of a Wide range of experiences which children can refer to in their life and schooling.	Children become familiar with Shakespeare's English Children are confident and articulate speakers Improved outcomes when writing play scripts in class due to link to performance Improved concentration	SLT PP Lead	Ongoing – formal review July
<b>Total budgeted cost</b>					£28, 785

iii. Other approaches					
Desired outcome	Chosen action/approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?
Ensure that PP children access a healthy and varied diet and are not coming to school hungry	Support families by subsidising Breakfast Club and After School Club.	Children are in school , on time and ready to learn at the beginning of the day and are able to enjoy nutritional food. Children are in a safe environment, enjoying engaging activities Children require healthy and nutritious food to thrive: physically, mentally, emotionally and academically. Access to food is basic human right,Providing care will support low income families in being able to access employment which is beneficial for families and children.	Extended schools lead and PP co-ordinator to monitor registers with regards to attendance of PP pupils. Have conversations with parents of PP children who are not accessing this provision	SLT PP Lead	Ongoing – formal review July
<b>Total budgeted cost</b>		Cost variable depending on need <u>Breakfast Club</u> – £5.50 per pupil day <u>Afterschool Club</u> - £10.50 per pupil day			

6. Review of expenditure				
Previous Academic Year		2017-18		
i. Quality of teaching for all				
Desired outcome	Chosen action/approach	Estimated impact: Did you meet the success criteria? Include impact on pupils not eligible for PP, if appropriate.	Lessons learned (and whether you will continue with this approach)	Cost
To raise the attainment in Reading, Writing and Maths	Additional teacher in year allows for quality first teaching in smaller streamed groups.	Whilst attainment has increased for PP children, there is still a difference in some year groups. This will need to be more thoroughly reviewed at the end of the year once we have further data – including from external testing.	This approach has been shown to have raised attainment for all pupils but clearly more focus and monitoring needs to be placed on PP children. Teachers will need to be able to identify their PP children and ensure that specific PP interventions will be implemented where there are concerns. <b>The focus should be on closing the gaps rather than ensuring standards in the core areas rise.</b>	£ 61,816

ii. Targeted support				
Desired outcome	Chosen action/approach	Estimated impact: Did you meet the success criteria? Include impact on pupils not eligible for PP, if appropriate.	Lessons learned (and whether you will continue with this approach)	Cost
To raise the attainment in Reading, Writing and Maths	<p>Achievement school on Saturday will support our PP children to further consolidate their understanding of maths, grammar and reading in term.</p> <p>Booster classes to take place after school for Y6</p> <p>Children are invited to <u>SHINE</u> on Saturday from 9.00-14.00 to further develop their standards in an informal setting with children from two other schools. Children are provided with lunches and they are taken out on exciting tours and trips in London</p>	This will need to be reviewed (are there other factors SEN? EAL?) at the end of the year once we have further data – including from external testing as whilst it has raised attainment for all pupils, some year groups still show a difference between PP and all pupils.	<p>This approach is worth continuing with has been shown to have raised attainment for all pupils but clearly more focus and monitoring needs to be placed on PP children. We need to ensure that PP are invited and, as much as possible, barriers that prevent attendance are removed.</p> <p>Children receive focused teaching to address barriers to learning and address individual gaps. Increased focus and concentration of children working in small group means that gaps in attainment and progress have been closed</p> <p>Children have the opportunity to go on outings/ take part in workshops to provide experiences within and outside their local community</p> <p>Children have a greater understanding of the world around them</p>	Cost variable depending on attendance

### iii. Other approaches

Desired outcome	Chosen action/approach	Estimated impact: Did you meet the success criteria? Include impact on pupils not eligible for PP, if appropriate.	Lessons learned (and whether you will continue with this approach)	Cost
Exposure to trips, visiting performances and a scientific institutions	Funding for such events to take place. Ensure that PP children do not miss out on residential due to financial reasons.	Children have been able to access these events and all children have enjoyed and benefitted from the experiences provided. Impact measurement is anecdotal –i.e children will refer to experiences during class discussion as a way of amalgamating and processing new experiences with previous experiences	Whilst what has been provided is to the benefit of all pupils, we need to ensure that PP are specifically targeted, and ensure that attendance and access to such provision is recorded.	£3,385

### 7. Additional detail

St Saviour's is committed to delivering a high-quality broad and balanced curriculum, which meets the individual needs of pupils to ensure that there is an increased engagement of all children by providing a wide range of experiences which children can refer to in their life and schooling. Our ultimate aim is to diminish the difference between PP and all pupils and looking forward St Saviour's is excited to continue to develop and hone the plan detailed above informed by the lessons learnt from the previous year. We are confident in our ability to continue to have high aspirations for all pupils and to raise the attainment of all pupils, ensuring that there is no difference in progress and attainment between our pupil premium students and the whole school population.
