

## St Saviour's Pupil Premium 2015-16

The pupil premium is additional funding (£1320 per child) given to publicly funded schools in England to raise the attainment of disadvantaged pupils and close the gap between them and their peers. There is also funding (£1900 per child) given for children who are looked after, have been adopted from care or who have left care.

For the financial year 2015/16 the Federation has been allocated £167,640. You can see below the range of activities we have used and continue to use this funding for. These activities help to ensure that our children in receipt of Pupil Premium achieve their full potential.

- Achievement Schools (Saturday schools and holiday school)
- Additional teachers for small intervention groups
- Additional teachers for streaming pupils
- Targeted intervention and support in and out of class by Teaching Assistants
- Grammar support
- Reading/writing support
- Maths support
- Learning Mentor
- Subsidised provision for breakfast & after school clubs
- Subsidised provision for Year 6 school journey
- Subsidised provision for school trips
- Art sessions
- Workshops to engage parents

We ensure that what we do impacts on the children by:

- Assessing and tracking children's attainment
- Assessing and tracking children's progress
- Monitoring and evaluating impact of the provision
- Identifying the right provision for each pupil
- Encouraging parental engagement

### Attainment Analysis – St. Saviour's – July 2016

Group	Expected	Reading	Writing	Maths
Year 1 - All	19	19.5	19.0	19.8
<b>Pupil Premium</b>	<b>19</b>	<b>18.9</b>	<b>19.1</b>	<b>20.0</b>
