Friday 25th September 2026

Dear Parents / Carers,
There's lots of good news this week, particularly for our Year 6 children.

Year 6 Residential Trip

This week, our Year 6 pupils have been on their residential trip to Gilwell Park, which is always a hugely exciting event for the children at the start of the new school year.

It gives them a chance to bond, to form new friendships, to get to know their teachers well and to take part in fun activities. I have spoken to the teachers every day, and they have told me how proud they are of our pupils.

Not only have the children been ever so polite, but they have also had great fun in the best possible way. This special time away from home and school will have boosted their independence and readiness for their final year of primary school.

I think everyone, including our fabulous staff, deserves a very restful weekend before another busy week begins!

Roof Update

This leads nicely on to our roof update, which brings more good news for Year 6.

We have received written confirmation that the two upstairs classrooms are now safe to be used again. I have already written separately to our Year 4 and Year 6 parents about the changes, but in short, our Year 6 pupils will be back in school on Tuesday.

We have all been looking forward to having all our children back, and I can't wait to see them coming through the gates on Tuesday morning.

The other three upstairs classrooms remain closed, as does part of the corridor on the right-hand side of the floor. Of course, I will continue to keep you updated on any new developments.

Attendance

Attendance this week was **97.0%**, compared with a national figure of **95.6%**.

So far the weather has held up nicely, which we have all been enjoying in school. A few days ago I sent you an NHS update that sets out a really helpful way to decide whether your child is well enough to come to school. I hope you find it useful, with the colder months on their way.

Upcoming Events

You will have received an invitation to our cheese and wine evening on **Wednesday 14th October**.

We would love to see as many of you as possible there, to bring our community together, share ideas and simply have a really nice evening.

If you would like to join us, please scan the code and book your place.
We look forward to seeing you there.

School Curriculum Information

At the heart of our school sits our curriculum, which is rich, broad and inclusive of all children and ages.

We take enormous pride in having a curriculum that challenges children to think critically and to make connections between subjects and with their prior knowledge.

You can find our curriculum maps and progression maps on our school website under the 'Our Curriculum' tab. There, you will find an overview of what your child is learning in class each half term.

To further support children's learning, we also give pupils and parents the opportunity to learn at home. Children in Years 2 to 6 will have received information about MyMaths and SpellingFrame. Each Thursday, teachers will set a task, which will be checked the following Tuesday.

Years 1 and 6 have a slightly different setup, which I know has already been communicated. Finally, and perhaps more important than anything else, please give your child the chance to read to you every day. There is nothing quite as powerful as spending 20 minutes a day listening to your child read and talking together about the wonderful worlds that fiction and non-fiction books reveal.

⚽ PE Days

We have had the most amazing weather this week, which has been great for our outdoor PE sessions.

PE lessons take place twice a week (one indoor and one outdoor session). Please make sure your child wears their school PE kit on both PE days so that they can join in comfortably.

Year group	Indoor	Outdoor
Year 1	Thursday	Friday
Year 2	Monday	Thursday
Year 3	Monday	Tuesday
Year 4	Monday	Thursday
Year 5	Wednesday	Friday
Year 6	Wednesday	Thursday

who have won the attendance mascots this week.

Whole School Attendance

A fantastic week for attendance across St Saviour's! We achieved an impressive **97.0%** whole school attendance.

Thank you to all our parents and carers for ensuring children arrive at school ready to learn. Let's continue working together to maintain these brilliant figures!
