

St Saviour's

Church of England Primary School

SUMMER 2 WEEK 8

Let God transform you into a new person by changing the way that you think - Romans 12:2 NLT

Dear Parents and Carers,

We have come to the end of another academic year and what a year it has been!

Cultural Festival

Wow! What can I say? Thank you for all of your support with our third Cultural Festival. This year's festival was a tremendous success, marked by vibrant performances, diverse food stalls and a spirit of unity. On the day, we raised an incredible total of **£825** and we are very grateful for the support and generosity shown by you.

Thank you for being an encouraging audience for the children as they performed their World Vision songs to you all and I hope that you were able to take the time to view the children's incredible art work that they have been working on over this last half term; researching artists, completing artist studies, sketching drafts and then creating their final pieces to be displayed. Among the highlights was a special visit from renowned artists Ella Trudgeon and Nabil Amini!

Holly very kindly took photographs of the children during their World Vision performances. There is no charge for the photographs and you can download as many as you like! If you would like to get in touch, Holly's Instagram is @hollyberylphotography.

Y6 Leavers

I would like to wish our Y6 children the very best as they leave primary school and start their new chapter. Each child has so much to offer the world and I am so excited to see where their confidence, knowledge and caring hearts take them into their futures.

Watch out world!

Star of the Term Awards

On Monday, we gathered together in church to celebrate our Stars of the Term. A huge well done to all of our stars this summer term - what a fabulous bunch! It is always a wonderful opportunity to celebrate the success of the children and it was made extra special by the additional Y6 awards.

Play Spaces

On Monday afternoon, some of our Y6 children went to Walthamstow Library to meet with an architect who is designing a new play space in Memorial Park. The children had the chance to draw with and discuss ideas with the architect on the space and proposed some very creative ideas! The children were model students of St. Saviour's and we are very proud of them and their ideas for the local community.

As we come to the close of this academic year, I wish you and your loved ones the most wonderful summer break. Thank you all for your continued support and we look forward to welcome you back on Thursday 5th September 2024 for a new academic year!

Yours faithfully,

Miss Cherry

CULTURAL FESTIVAL 2024

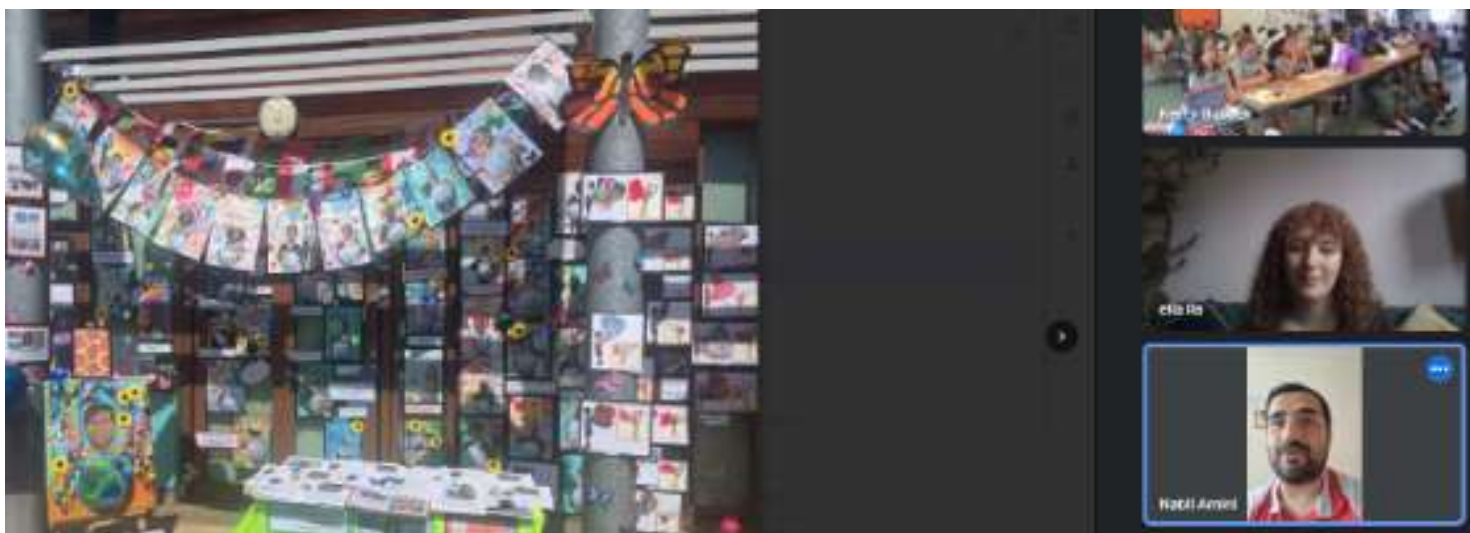

Cultural Day Celebrations: Inspiring the Next Generation

Ella Trudgeon and Nabil Amini met with Year 3 pupils, engaging them in a lively discussion about their artistic journeys and the importance of creativity in bringing about positive change. The artists were deeply inspired by the enthusiasm and innovative ideas of the pupils, who shared their own artwork and visions for a better world.

Ella Trudgeon commented, ***"Meeting these young minds has been a highlight of our Cultural Day experience. Their passion and creativity are a true inspiration, reminding us all of the power we have to make a difference."***

Nabil Amini added, ***"The pupils' artwork and their ideas for positive change in the world are incredibly motivating. It's wonderful to see such awareness and determination at such a young age."***

The event left a lasting impression on both the students and the artists, reinforcing the message that creativity and cultural exchange can inspire action and change. We look forward to seeing how these young inspirations will continue to make their mark on the world.

Year 4s Connect with Shazia Ahmed: A Creative Exploration

Our Year 4 students had an exciting and inspiring virtual meeting with Shazia Ahmed, who called in all the way from Canada! Shazia, an acclaimed artist known for her intricate dioramas, shared insights into her creative process and how her work is deeply connected to the concept of home.

During the call, Shazia explained how dioramas can capture the essence of familiar spaces and cherished memories, encouraging students to reflect on what home means to them. She emphasized the importance of having fun with art and finding joy in the creative process.

Shazia's engaging discussion included practical tips on creating dioramas using everyday materials, sparking the students' imagination and enthusiasm. ***"Art should be fun and enjoyable," Shazia said. "It's a wonderful way to express yourself and connect with what matters most to you."***

The session was a delightful blend of creativity and inspiration, leaving our Year 4s eager to explore their own artistic projects and celebrate their unique perspectives.

Y6 LEAVERS 2024

LET NO-ONE STEAL YOUR DREAMS

Let no-one steal your dreams,
Let no-one tear apart,
The burning of ambition,
That fires the drive inside your heart.

Let no-one steal your dreams,
Let no-one tell you that you can't,
Let no-one hold you back,
Let no-one tell you that you won't.

Set your sights and keep them fixed,
Set your sights on high,
Let no-one steal your dreams,
Your only limit is the sky.

Let no-one steal your dreams,
Follow your heart,
Follow your soul,
For only when you follow them
Will you feel truly whole.

Set your sights and keep them fixed,
Set your sights on high,
Let no-one steal your dreams,
Your only limit is the sky.

YOUNG TRANSFORMERS

Our Young Transformers Programme will only be successful if children feel inspired to take their skills and advocacy beyond the classroom. This week, I would like to celebrate Y3 who have decided to support their community by carrying out a litter pick in the school grounds and local area.

Well done Y3- we are very proud of you all!

I would also like to celebrate **Elodie** who has shown her own initiative to get creative to raise money for others and support the fundraising of the Cultural Festival.

Well done Elodie - we are very proud of you!

HOME LEARNING PROJECTS

There is a lot of excitement about next year and the new learning which will take place! Something which is always really popular and exciting for the pupils is their holiday home learning projects! These special projects enable the children to become excited about and prepare for their new topics so that they start their new school year confidently brimming with knowledge, facts and contributions to share in their lessons.

We invite all pupils to follow their interests and explore their new topic in their own way over the summer. They may choose to create a poster, a booklet, a fact-file, a digital presentation, visit a museum or place of interest linked to the topic and take photographs, learn a song, produce a diagram, sketch, cartoon, create an animation or video - the options are endless so that each child can complete their project in their own way and ensure that it is something which they enjoy doing in their free time.

Please check your emails for details of the homework project for your child.
