

Dear Parents and Carers,

We have come to the end of another half term; this academic year is flying by! This week has been a busy one as the children completed their Skipathon, Y6 children represented the school in cricket competitions and we had an incredibly inspiring visit from Onjali Q. Raúf, an activist and author of Boy at the Back of the Classroom!

WALK TO SCHOOL WEEK

Thank you to everyone who took part in Walk to School Week! Our Eco Council was thrilled to support this fantastic initiative, promoting healthy habits and helping the environment. We hope you all enjoyed the fresh air and sunshine on those beautiful mornings. Let's keep up the great work!

AUTHOR VISIT

We were delighted to welcome author and activist Onjali to our school this week! She spoke to our enthusiastic Year 3 children about her incredible book and the important activism work she does to support people in need. Onjali shared her experiences working with different charities and how her passion for helping others shapes everything she does. The School Council also had the opportunity to ask her lots of thoughtful questions and everyone left feeling inspired to make a difference in their own way.

Thank you, Onjali, for such a meaningful and memorable visit!

CRICKET COMPETITIONS

A huge well done to our Year 6 girls' team, who showed great commitment in training and played with integrity, determination, and true St Saviour's spirit. They won one match and narrowly lost the other—just missing out on the next round. We are so proud of their teamwork and sportsmanship!

RAU

Our boys' team also gave a brilliant performance, winning one game and losing the other by just one run—remarkably, the same margin as the girls. With all teams in the group securing one win, the qualifier came down to total runs scored and the boys missed out by only three runs.

Both teams showed fantastic effort, resilience and pride in representing our school. Well done, St Saviour's!

I hope that you enjoy a wonderful half term with your loved ones and we look forward to welcoming the children back for the final half term of this academic year on Monday 2nd June 2025. Yours faithfully,

SKIPATHON

What an incredible day we had completing our Skipathon. We had children skipping their hearts out until they simply couldn't skip any more! The energy, determination, and sheer joy on the field was a sight to behold and we couldn't be prouder of every child for trying their best.

Thanks to your amazing support, sponsorships have already started coming in and to keep the momentum going, we've extended the sponsorship deadline to June 2nd. This gives our dedicated skippers even more time to continue fundraising for our wonderful charity project.

Every skip counted and every donation helps make a difference. Thank you for cheering the children on and supporting their hard work!

Over the past few weeks, the children have been working with real dedication and creativity to develop their ideas, craft compelling narratives and design their own presentation slides. We are incredibly proud of the effort they've put into researching and refining their understanding of homelessness.

With the in class presentations scheduled for June 2nd, we're eagerly counting down the days! The upcoming half term is a perfect opportunity for your child to continue practising their talk, fine-tune their slides and add any final bits of research. Thank you for your continued support – we can't wait to see the children shine on stage!

Not Forgetting our Tiny TEDs event, especially designed for our brilliant Reception and Year 1 children. Taking place on June 18th, this event will give our youngest learners the chance to share what they've been learning in their own way.

COLLECTIVE WORSHIP

This week in collective worship, we reflected on Pentecost, a powerful moment in the Christian calendar when the Holy Spirit filled Jesus' disciples with courage and purpose. It transformed them from fearful followers into brave messengers of hope, love, and unity.

This message of unity and care links closely to our current project, Seeds of Change. Through this project, the children have been learning about homelessness. They've shown real compassion and curiosity, asking thoughtful questions and showing a deep desire to make a difference.

Just like at Pentecost, when the disciples reached out to people in all nations, our Seeds of Change project encourages us to reach out to those who are struggling in our own community. Whether through kindness, donations or simply raising awareness, we are learning how small actions can grow into something powerful—just like a seed planted with care.

"Dear God,

Thank you for the gift of the Holy Spirit, who gives us courage, wisdom, and compassion. Help us to plant seeds of change in our school and community—seeds of kindness, generosity, and hope. Open our eyes to those in need, especially people without a home. May we be inspired to act, to care, and to build a world where everyone is included and supported.

Amen"

Y5 CLASS CORNER

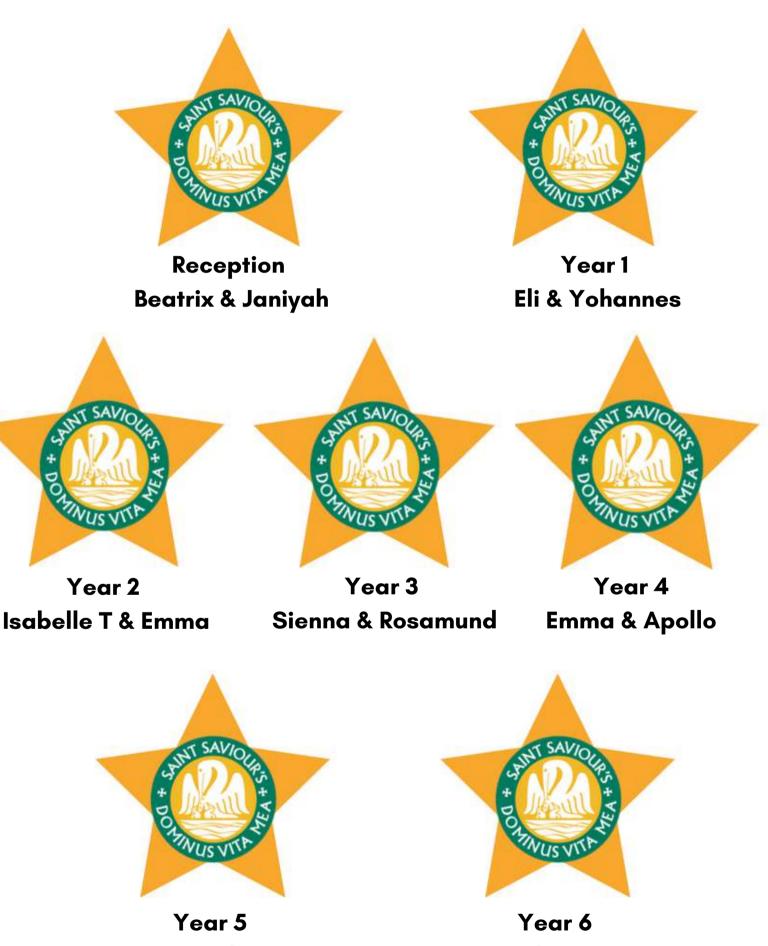

This half term, we have been exploring The Kingdom of Benin. We have looked at a range of sources to help us understand this ancient civilisation; how it became wealthy and powerful and learn about its decline. We also made comparisons with other units of history we have studied.

This week, we have continued to explore this civilisation in our art lessons. On Wednesday, we took a closer look at the famous Benin Bronzes. We observed the features and symbolism of the statues and created our own designs which we sketched in our sketch books.
