AUTUMN 1 WEEK 3

**Let God transform you into a new person by changing the way that you think – Romans 12:2 NLT**

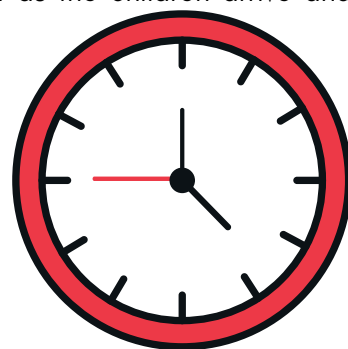

Dear Parents and Carers,

I hope you have all had a wonderful week. It has been another busy and inspiring week here at school, and it continues to be a joy to see the children so engaged, happy and enthusiastic in everything they do.

It has been particularly lovely to see so many of you at the gates at the start and end of the school day. Those brief moments of connection really help to build our school community and it's wonderful to share a smile or a chat as the children arrive and leave.

A few important reminders as we move through the term: school starts at **8.40am** each day. Arriving on time helps children settle calmly into the day, join their classmates for morning activities, and make the most of their learning. We encourage all families to aim for this start time to ensure each child begins the day positively and without stress.

We are also very excited about our upcoming Dragon's Den competition. This is a voluntary opportunity for children to bring forward their ideas for making a difference as Courageous Advocates and change-makers. We can't wait to see the creativity, innovation and passion the children will show, and it is a wonderful way to celebrate their curiosity and ambition.

In addition, we continue to celebrate children making a real difference through our Young Transformers Awards. These awards recognise children who have gone above and beyond to help others, raise money for charities, or demonstrate the values of our 5Cs – Caring, Community, Confidence, Curious and Creative. If your child has done something special that reflects these values, please take a moment to nominate them. Recognising these efforts is such an important way to encourage kindness, empathy and initiative.

Thank you, as always, for your ongoing support in helping your children make the most of their time at school. Together we are creating a nurturing, inspiring and positive community where every child can thrive. Wishing you all a lovely weekend.

With warmest wishes

Mr Pawley
