AUTUMN 2 WEEK 2

Let God transform you into a new person by changing the way that you think – Romans 12:2 NLT

Dear Parents and Carers,

As we approach the festive season, there is a wonderful sense of warmth, anticipation and togetherness growing across the school. This time of year always brings with it a special sparkle—moments of joy, reflection, and celebration—and we are delighted to share with you some of the highlights from an exceptionally busy and inspiring week.

We were truly overwhelmed by the incredible turnout at our Black History Month showcase. The children were thrilled to see so many familiar faces in the audience, and they spoke with confidence and pride about their learning, artwork and the figures who inspired them. Their moving performance of *Something Inside So Strong* was a moment many of us will remember. Your presence and encouragement make such a difference, and we thank you for celebrating with us.

This week also provided powerful opportunities for meaningful conversations. During Odd Socks Day, pupils explored themes of kindness, inclusion and standing up to bullying, proudly showing that our differences should be celebrated. And today, our wonderfully cosy Pyjama Day brought plenty of smiles as children enjoyed a relaxed, fun-filled learning environment that still buzzed with focus and enthusiasm. We are delighted to share that we have raised **£249.05** — thank you to everyone for your kind donations.

A huge well done to our Year 6 pupils who competed in the Sportshall Athletics event. They participated in a range of track and field activities, showing excellent teamwork, determination and sportsmanship. They represented our school beautifully, and we are very proud of their efforts.

Our Reception and Year 1 children also had an unforgettable week during their Baby Dino and Fossil workshop. They became archaeologists for the day – investigating fossils, uncovering dinosaur clues and asking fantastic questions. Their curiosity and excitement filled the room, reminding us of the joy of learning through exploration.

A gentle reminder: although our school is situated within a School Street area, and access is restricted at certain times, this does not mean that vehicles are completely absent. Cars belonging to residents or those with permitted access may still drive along the road. Please support your children in staying alert, practising good road safety, and continuing to treat the road as active. Your encouragement plays a vital role in helping them develop lifelong awareness and confidence when navigating busy or residential streets.

Looking ahead, we are very much looking forward to welcoming you into school next week for our Parent Consultations on Tuesday and Wednesday. These meetings provide a valuable opportunity to celebrate your child's progress, discuss next steps and reflect on the term so far. Each appointment is 10 minutes, and teachers are happy to offer a follow-up if you feel more time is needed.

On Thursday at **9.15am**, we warmly invite you to our Dyslexia Coffee Morning. This will be a friendly and informative session, offering the chance to learn more about dyslexia, explore helpful strategies and ask questions in a supportive space. Everyone is welcome.

"Let all that you do be done in love." 1 Corinthians 16:14

The verse above encourages us to remember that love, shown through patience, encouragement, celebration and care, is at the heart of helping children grow. Whether we are guiding them through challenges, celebrating their successes, or nurturing their curiosity, our combined efforts as a school community create a safe and inspiring environment in which they can flourish. This week's events have beautifully reflected the power of love, unity and shared purpose.

Wishing you all a restful, joyful weekend as we step further into the festive period.

Warmest regards,

Mr Pawley
