Church of England Primary School

AUTUMN 2 WEEK 3

Let God transform you into a new person by changing the way that you think – Romans 12:2 NLT

Dear Parents and Carers,

As we journey further into the festive season, the school continues to be filled with a lovely sense of connection, community and shared purpose. This week has been another wonderfully positive one and we are grateful for your continued support and engagement.

It was truly lovely to see so many of you during our Parent Consultation evenings. These meetings are an important opportunity to reflect on your children's progress, celebrate their achievements and discuss the next steps in their learning. Your commitment to partnering with us in your child's education plays a vital role in helping them flourish and we deeply appreciate the time you took to attend.

We were also delighted to welcome parents and carers to our Dyslexia Workshop. Thank you to everyone who joined us for this informative session. Your interest and questions helped create a thoughtful and supportive environment where we could explore what dyslexia is, the strengths many dyslexic learners have and strategies to help children thrive. Next week we are looking forward to hosting our ASD (Autism Spectrum Disorder) Workshop and we warmly encourage you to attend if you are able. This session will offer insights into supporting children with autism and understanding the diverse ways they may experience the world. Everyone is welcome whether you wish to learn more, seek advice or simply broaden your understanding.

As the temperature drops, we kindly ask that children come to school with warm coats, hats and gloves. We spend time learning and playing outdoors throughout the day and want to ensure everyone stays comfortable and safe in the colder weather. If you need help with winter clothing, please do speak with us as we are always here to support families. After next week, we move into one of the busiest and most magical periods of the school year as our festive celebrations begin. One of our highlights will be the Christmas Fair on the 10th of December after school. We are currently seeking volunteers to help with stalls, set-up and organisation; any time you can offer would be greatly appreciated. If volunteering is not possible, we would still love to see you there to enjoy the fun, games and festive cheer.

Please remember to take a look at the **Parent Calendar** at the end of the newsletter, where you will find all upcoming dates and event details for the coming weeks.

We are also excited to begin our Suitcase of Stories assemblies next week. This special project celebrates the rich diversity within our school community. We warmly welcome parents and carers who come from another country or whose families have roots in other parts of the world to deliver a 20-minute presentation about their heritage and experiences. Sharing your stories helps our children learn about different cultures and traditions and reinforces the message that every family's story is important and valued. If you would like to take part, please let us know as we would be delighted to include you.

"How good and pleasant it is when God's people live together in unity." – Psalm 133:1

This verse reminds me that unity does not mean sameness but harmony. When we welcome each person's strengths, stories and differences, we create a community where every child can feel safe, valued and supported. It is in this spirit of togetherness that our school continues to grow and thrive – it is with this that I wish you all a lovely weekend with your loved ones.

Best wishes
Mr Pawley

YOUNG TRANSFORMERS AWARD

SOPHIA & LAURA (Y4) OSCAR & BETH (Y1)

Well done to Sophia, Oscar, Laura, and Beth who have received the Young Transformers Award for their wonderful contribution to a local street initiative. They showed excellent community spirit by helping to clean their street and plant flower bulbs for next spring. Living on a bee-friendly street, their planting has helped create a welcoming space for bees and other pollinators to thrive. Neighbours were delighted to see young people taking such pride in their community and making the street cleaner, brighter, and more inviting.
