Church of England Primary School

AUTUMN 2 WEEK 4

Let God transform you into a new person by changing the way that you think – Romans 12:2 NLT

Dear Parents and Carers,

As we move closer to the festive season, it has been wonderful to see our school community continue to come together in such positive and supportive ways. This week has been full of learning, connection and excitement and we are pleased to share some of the highlights with you.

We were delighted to have such a strong turnout for our ASD (Autism Spectrum Disorder) Workshop. Thank you to all the parents and carers who attended. Your engagement helped create a reflective and informative session where we were able to explore how best to support children with autism and deepen our understanding of their experiences. Your presence made the event truly meaningful.

Next week brings another valuable opportunity for families. On Tuesday 2nd at 3pm, we will be hosting our Flourish Through Reading workshop for all parents. This session will be led by Miss McCullough and Miss Hadley and will focus on practical ways to support reading at home. We warmly encourage you to attend as reading is a cornerstone of learning and confidence for every child.

We also have a busy and exciting week of performances and enrichment activities ahead. On Monday at 2.15pm, we will hold our Piano and Violin Concert, a lovely chance to celebrate the hard work of our talented musicians. Then on Friday at 2.15pm, our Guitar Concert will give another group of children the opportunity to shine and share their musical progress.

Throughout Wednesday and Thursday, all year groups will have access to the Science Dome, an immersive experience that brings science to life in an interactive and engaging way. The children always enjoy this hands-on learning and we know it will spark plenty of curiosity and questions.

Next week will also see some of our Year 6 pupils heading off to a basketball competition. Please join us in wishing our team the very best of luck. They have been practicing with great determination and we know they will represent the school with pride and fantastic sportsmanship.

On Friday, our Year 2 pupils will take part in a Safari Workshop as part of their Young Transformers programme, where they will meet real animals and learn about their habitats and adaptations. It promises to be an unforgettable experience. We must also mention the excitement building for Reception to Year 2, who will enjoy a special Magic Show on Tuesday with a live magician bringing wonder and surprises to their day.

All of these experiences help build towards our festive celebrations, which are fast approaching and always bring joy to the whole school community. More information will follow as we move into December.

It was so lovely to see many of you this morning at our Star of the Week assembly. Thank you for your continued encouragement and support.

Wishing you all a wonderful and restful weekend.

Mr Pawley

PRIMARY SCHOOL ADMISSIONS 2026

Do you have a child who was born
between 1 September 2021 and 31
August 2022?

If so, your child is eligible to start
primary school in September
2026.

To make an application, please
apply online at
www.eadmissions.org.uk
by 15 January 2026.

For more information, visit the Waltham
Forest Primary Admission page:
[https://www.walthamforest.gov.uk/
schools-education-and-learning/apply-
primary-school](https://www.walthamforest.gov.uk/schools-education-and-learning/apply-primary-school) where you can download a
copy of the Starting Primary School 2026
brochure with full details on how to apply.

STARS OF THE WEEK
