SPRING 2 WEEK 4

**Let God transform you into a new person by changing the way that you think - Romans 12:2 NLT**

Dear Parents and Carers,

It has been another wonderfully busy week in school, filled with enriching experiences and exciting opportunities for the children across many year groups. It has been lovely to see the enthusiasm with which the pupils have embraced each activity and the confidence they show when trying new things.

Today, we marked Red Nose Day and it was fantastic to see the children dressed in red to support this great cause. Thanks to your generosity, we raised a wonderful total of £280.00 - thank you all for your kind donations.

The children also took part in a fun obstacle course, which they thoroughly enjoyed. A big thank you to those who have already sponsored their child; please note that the deadline for returning sponsorship forms is Friday 27th March.

Looking ahead to next week, we have many exciting events planned.

Year 5 and Year 2 will be meeting Sandra from the London Fire Brigade, who will be delivering an engaging workshop. Some of our Year 5 pupils will also be attending the F1 finals - we wish them the very best of luck!

On Wednesday, we will be hosting our annual Science Fair from 3:45pm to 5:00pm. Please note that the final day for bringing in science projects is Monday 23rd March.

Our Year 6 girls will also be taking part in a dance festival. They have been practising hard every Friday with Mr Cooke, and we are very proud of their commitment and enthusiasm.

On Thursday, we will be having our class photos, so please ensure that all children come to school in full school uniform.

Finally, a reminder that Friday 27th March will be the last day of term, and school will finish at 2:00pm - there will be no tea time club on this day.

Wishing you all a lovely weekend with your families.

Mr Pawley

# YOUNG TRANSFORMERS AWARD

## CHARLOTTE (Y4)

Charlotte has been showing fantastic dedication and determination in her learning. She recently achieved her yellow belt in Karate after working hard to master her kata, demonstrating great perseverance and focus. In addition, Charlotte has been awarded a Young Transformer Award in recognition of her positive attitude and commitment. We are very proud of her achievements—well done, Charlotte!

## ESTHER, NARA & ELLEN (Y5)

Esther, Nara and Ellen from Year 5, recently showed fantastic initiative by organising and completing a self-led sponsored silence to raise money for charity. Their efforts demonstrated great teamwork, compassion and a real commitment to helping others. In recognition of their achievement and the positive example they have set, the girls have been awarded a Young Transformers Award. We are very proud of them—well done!

## WHOLE SCHOOL ATTENDANCE

We are delighted to share that our whole school  
attendance this week **95%**

Thank you to all of our families for your continued support  
in ensuring children attend school regularly and arrive on  
time each day.

Excellent attendance plays a vital role in children's  
learning, confidence and overall success.

Let's keep working together to maintain and even improve  
on this brilliant figure. Every day in school really does  
count!

# SATURDAY SCHOOL

A reminder that Saturday School will be held at St Saviour's after the Easter break.

Looking for a positive and productive way for your child to spend their Saturday morning? Our Saturday School for Years 3-5 offers a fantastic mix of learning, confidence-building, and fun! Pupils will take part in engaging activities designed to support their progress, boost key skills, and keep them motivated—all in a relaxed and supportive environment.

It's a great opportunity to build confidence, strengthen friendships, and enjoy learning in a different way.

Everyone is welcome - please let the office know if you are interested.

## BRINGING LEARNING TO LIFE

Each term, we plan enrichment events that celebrate learning and community.

This term, we are welcoming a theatre company with outstanding reviews to perform a pantomime in the school hall! Pupils don't just watch - they join in the performance, becoming part of the story and experiencing the magic of theatre first-hand.

Other terms include exciting visitors, themed learning days and opportunities to celebrate success together.

## MORE THAN JUST A CLASSROOM

Saturday School is a relaxed, friendly environment where pupils from different year groups learn side by side.

Older pupils act as role models and leaders, while younger children benefit from encouragement and teamwork.

Our aim is to help every child grow - academically, socially and emotionally - in an atmosphere where learning is key, but having fun is equally important.

## WHY SATURDAY SCHOOL IS SO POPULAR

- Small groups and individual attention
- A balance of learning and creativity
- Experienced, caring staff
- A welcoming, inclusive atmosphere
- Exciting events and enrichment opportunities
- Confidence-building experiences
- Fun, friendship and a love of learning

## SATURDAY SCHOOL AT ST SAVIOUR'S AND ST MARY'S

### COMING SOON - EXCITING EVENTS!!!

- Weekly Star of the Week Prizes given EVERY week
- Celebration lunch at the end of the term
- Craft Day at the end of the term
- PLUS a surprise activity at the end of the summer term

Our Saturday School offers pupils an amazing opportunity to learn in a different way. With smaller class sizes and a personalised approach, we help each child reach their full potential.

Whether revisiting tricky topics, extending classroom learning, or exploring new ideas, every session is designed to build confidence and curiosity.

We believe that children learn best when they're engaged - so our lessons are hands-on, creative and fun. From science investigations and storytelling to art projects and outdoor activities, every Saturday is packed with opportunities to explore, experiment and enjoy learning.

## WORKING TOGETHER

Our Saturday School is a partnership between St Saviour's and St Mary's, bringing together pupils from both schools.

This joint approach helps children form new friendships, learn from others and become part of a wider school family. We share the year between the two sites - spending part of the year at St Saviour's and part at St Mary's - so that pupils can experience both schools and feel at home in each one.

## CREATIVITY

We believe creativity builds confidence, communication and joy in learning. That's why we run special Craft Days, where pupils spend a whole day designing and making imaginative creations. From seasonal projects to themed challenges, these days are full of laughter and pride as children see their ideas come to life.
